Allegations: *Narcotics found in rear of unmarked squad car #3726*

Narrative: In summary, R/Sgt became aware of narcotics being discovered in the rear of above vehicle after the officer's /witness's inspection of their vehicle before going out on the street for their assignment. The officers immediately notified R/Sgt that they found two small baggies containing suspect cannabis

The officers immediately completed attached case report ([REDACTED]) and inventoried the two small baggies of suspect cannabis (Inventory # [REDACTED])

Vehicle #3726 was taken to Area Two Motor Maintenance for Grease and oil on 14-February-2012, and there was further maintenance that was needed that was discovered after the vehicle was at Area Two Motor Maintenance. R/Sgt was notified that vehicle was done being repaired and that the keys were back in his office on today's date. It should be noted that the vehicle was still parked down by Area Two Motor Maintenance when the officers/witnesses found their vehicle and discovered the narcotics.

Due to the fact that the vehicle was out of his Unit's possession for 15 days, R/Sgt cannot determine who was last to be in possession of the vehicle.

**INVESTIGATION:**

On 09 April 2012 the undersigned received for investigation Log Number 1052237. Initial documents submitted with the investigation and reviewed by the undersigned included an initiation report, Original Case Incident Report under RD No. [REDACTED] and the Property inventory report number [REDACTED] which indicated that Officer PIPER and Officer WEST discovered two baggies containing a green crushed leafy substance suspect cannabis under the rear seat of vehicle 3726. (Att. 4, 5, 6)

According to the initiation report submitted by Sergeant SLOYAN, vehicle 3726 was taken to Area 2 Motor Maintenance for grease and oil on 14 February 2012 and was downed due to additional required maintenance. Garage 2, Manager Ron CARTER, was contacted via telephone by the undersigned and he related that on 14 February 2012 vehicle 3726 was dropped off for Grease and

Oil by Police Officer Victor CHAN. CARTER confirmed that vehicle 3726 was downed for additional service and upon completion of work the vehicle was once again picked up by Officer CHAN. (Att. 4, 7)

During Officer PIPER's statement he related that on 29 February 2012 he was assigned to vehicle 3726. He stated that the keys to vehicle 3726 were in a key box which is maintained at Unit 212. PIPER stated that he and his partner picked up the vehicle from a parking lot area Garage 2 parks the vehicles that they are currently working on. PIPER stated that he was not aware of who brought the keys back to the office. PIPER also related that vehicle 3726 is the vehicle that is normally assigned to him and his partner however; the vehicle is sometimes used by the morning burglary team. (Att. 12)

WEST related that after the 14<sup>th</sup> of February when he returned to work he was assigned a different vehicle because 3726 had been downed for needed repairs. WEST stated he didn't know who dropped off the vehicle. He further related that on the 29<sup>th</sup> of February the keys were back in the unit and he and his partner were given the keys by Sgt. SLOYAN who informed them the car was still parked by Garage 2. WEST stated that vehicle 3726 was parked in the east end of the parking lot by Garage 2. According to Sgt. SLOYAN's initiation report he also makes note that vehicle 3726 was parked in Garage 2 parking lot area. (Att. 4, 12, 13)

Since the vehicle was not moved from the Garage 2 parking lot area the undersigned took a witness statement from Officer CHAN. CHAN related that on 14 February 2012 he was assigned to Unit 311 and that one of his functions was general office support. CHAN related that he did not recall whether he was assigned to drop off vehicle 3726 on 14 February but stated that if he did have that assignment he would have dropped off the keys at the garage. He further related that the vehicles are usually parked in the Garage 2 parking lot area when they have to go in for service and all he has to do is walk the keys over to Garage 2 personnel. CHAN related that when the car is ready for pick up he customarily picks up the keys and returns them to whoever told him to pick up the vehicle. CHAN related that he would have done the same with the keys to vehicle 3726 if he had been assigned to pick up the vehicle. CHAN did not remember picking up the vehicle but stated that if he did pick up the keys he would have conducted an inspection of the outside of the vehicle. CHAN did not recall where vehicle 3726 was parked in relation to Garage 2. (Att. 15)

Vehicle 3726 was at Garage 2 for approximately 15 days. Although CHAN appeared to be the last Officer in possession of vehicle 3726 the information gathered indicates that he did not physically take the vehicle into his possession upon being notified by Garage 2 that work had been completed. Based on these facts the undersigned recommends that this case be Not Sustained.
